**International Symposium on Current Trends in Plant Protection  
with ESENIAS Workshop – Managing Invasive Alien Species in SEE  
countries: the way ahead**

**25 - 28 September 2012, Belgrade**

The Symposium will take place in the Hotel Prestige, in the vicinity of the Belgrade Racetrack.

The program of the Symposium includes topics related to current issues and trends in plant protection, with emphasis on novel research methods.

**The Symposium will also feature ESENIAS Workshop – Managing Invasive Alien Species in SEE countries: the way ahead**, which is a continuation of series of workshops on invasive species in the Western Balkan countries and as of this year, in wider area of the South Eastern Europe. The workshop will focus on discussion about further steps in creation of the regional list of invasive species (availability and sharing of information, project activities), current practices in management of invasive species (elimination, control measures, characterization of invasiveness) and monitoring of invasive species.

### **Submission of papers and deadlines**

The papers that will be presented at the Symposium should be related to the following area(s):

- Herbology
- Phytopathology
- Entomology
- Phytopharmacy
- Nematology
- Zoology

Symposium registration forms with **title of the paper and author's name** have to be e-mailed to [marisavljevicd@yahoo.com](mailto:marisavljevicd@yahoo.com) by **20 April 2012**.

Scientific Committee of the Symposium will review the received titles and inform authors about the accepted papers and presentation procedure. **The full-**

**length papers** in English (consisting of at least 3 pages – around 6000 characters with spaces) are due by **15 June 2012**. **The papers will be published in the Proceedings of the Symposium, as a special issue of the magazine *Plant Protection***. The papers will be peer-reviewed by the international Scientific Committee and categorised as **M33** papers (according to the rules of the Ministry of Education and Science). The presenters can speak in English or Serbian language, but the presentation must be prepared in English. In addition to verbal presentation, the papers will be included in the Poster section as well.

### **Registration fee**

The registration fee for the Symposium is **70 EUR for all days or 30 EUR per day**. The fee also covers the costs of buffet lunch (throughout Symposium duration) and printed material –Proceedings, etc.

**All registered participants of the Symposium will have the opportunity to hear and participate in discussions within the ESENIAS Workshop – Managing Invasive Alien Species in SEE countries: the way ahead**, but according to the common organisational rules for such events that were in previous years organized by the European Environmental Agency, the official workshop participants will be delegates selected by the EEA.

### **Accommodation**
